New Community Fund***

We are pleased to announce that the Franklin County Bar Association Community Fund, Inc. has not only completed its Massachusetts not for profit organizational filings but has also received IRS 501 (c)(3) tax exempt status.

The fund will now administer our Thomas W. Merrigan Memorial Scholarship Program. Gifts and donations to the fund are now tax deductible to the donors and will enhance our ability to solicit funds for our community endeavors.

We plan to celebrate the creation of this new non-profit entity and have set aside May 3, 2018 for a Gala Event.
